## FACILITIES

### Ample space and technology

At Oasis we're fully equipped to make your event a success. Start with your choice of 4,000 rooms, add meeting facilities for groups from 24 to 2,500—including our new Oasis Arena with over 20,000 sq. ft. for large-scale events like exhibits and conventions—and decide which amazing space is right for you and how you'd like us to configure it. Because your group is our priority we set the tone the moment you arrive, with a separate VIP reception area for group check-in. And we keep the service coming, customizing your event space, meeting rooms, coffee breaks, and more.

Big group or small, business or pleasure, indoor event or outdoor, our Oasis Plus event team is committed to your success, arranging everything you need with supreme attention to detail. We make it our business to facilitate your business, providing Internet access in every meeting room, offering a dedicated business center with computers, copiers and fax machines, and providing projectors, monitors, lighting and state-of-the-art sound systems to make every presentation soar. And because Oasis beach resorts are all inclusive, everything you need is included when you book your group here.

## OUTDOOR VENUES

Take your event outdoors, on the beach or under the stars

Absolutely fabulous—that's the beauty of Oasis! All-natural, impeccably maintained, and bursting with the kind of wow factor that makes everybody take notice. Group events shimmer and shine at our beautiful beachfront settings, where seascapes meet the lush flora of tropical gardens; guests love to mingle beside our turquoise pools and our gorgeous sunny decks are perfect places for parties. Take your meeting outside, have your banquet al fresco or entertain under the stars—Oasis has the spaces and the know-how to make it work.

Our planners and staff are ready to execute any event to your exacting standards, or dream up something your group will never forget, like the ultimate clambake right on the beach, an iconic cocktail hour set against the elegance of a Cancun sunset, or a casual Calypso bash where there's limbo and laughter everywhere.

## ENDLESS ENTERTAINMENT

From live shows to the hottest nightclubs to 24-hour casino excitement

Make it an event to remember! Oasis offers a la carte entertainment with international flair and our own team of professional performers. Hire a mime or mentalist for a motivational speech, or a DJ for an unforgettable beach farewell party. Go traditional with mariachi, classic with a piano bar singer, or leave your group in awe as they watch Oasis' very own Red Circus Vegas-style shows featuring acrobats and thrilling dancers—there's no limit to the fun. Host a casino night at the brand new multi-level Red Casino at Grand Oasis Cancun. This breathtaking spot is Cancun's first (and only) casino-in-a-resort, and offers everything from traditional tables to the hottest new video gaming choices, 24 hours a day.

There's never a dull moment at Oasis, and we know how to show our guests a great time. So pick your entertainment options or leave the planning to us: either way your event will be unforgettable.

## MORE FOR YOUR GROUP

### Privileges in Paradise Program

Who says it's impossible to have it all? The Oasis Privileges in Paradise Program lets you multiply your options and get the most out of your visit, because you can stay at one resort and enjoy exchange privileges at other Oasis resorts. Here you can pair the tranquil natural beauty of Tulum with the non-stop entertainment and excitement of The Pyramid at Grand Cancun, or try the sensational dining-in-the-dark experience at The Black Hole at Grand Oasis Sens one night and the next night set sail for a pirate adventure from the Grand Oasis Palm.

Choose one beautiful Oasis resort as your group's home base and enjoy access to other Oasis resorts within the same category at no additional cost. We offer access to over 50 restaurants and over 40 bars: indoor, outdoor, casual or upscale, and many alive with the excitement of live music and shows. With Privileges in Paradise your group can sample so many of the unique facilities Oasis offers—and we've got plenty of transportation options, so getting around between resorts is easy.

Transportation not included. Certain restrictions apply. Not applicable for guests at Oasis Palm, Oasis Cancun Lite, Oasis Tulum Lite, Smart Cancun by Oasis or Oh! Cancun The Urban Oasis.

## ACTIVITIES

### Down time means fun time at Oasis

Sail with pirates, swim with whale sharks, dive the caves and hike the jungle—there's no end to the memorable experiences your group can have here. We'll arrange a fishing expedition, a visit to the famous archaeological site of Chichen Itza, or a day swimming with dolphins at Xcaret eco-tourism park. Visit [GroupsAtOasis.com](http://GroupsAtOasis.com) for over 15 exciting tours that will delight your group. Leave the logistics to us; we can arrange transportation to and from your adventures. Your group can also rent Oasis' eco-friendly Smart cars for preferred rates and explore the best of Cancun and the Yucatan on their own.

And because we're Oasis, our guests can find tons of fun without ever leaving the resorts too. Stick around for spa treatments—we offer everything from a traditional Mayan Tamazcal purification ritual to refreshing massages on the beach to revitalizing therapies with amber, jade, even chocolate! Challenge co-workers to a game of tennis or golf, test their endurance with a Latin-dance inspired Zumba class or have a volleyball competition in the pool or on the beach.

Make it an event they will share and talk about!
